I'll walk bare feet
Talking to myself
Look at the trees,
Restore my faith
I'll feel the wind blow
Lying in a chair,
I'll let it all go

Something big is coming
I have to be prepared
I won't let this city
Impress me
I know I'm not dreaming
There's no need to be scared
Cause I won't get lost there

But when I lose myself
I'll come back here
And I'll know exactly who I am
Cause I'm home
This is where I belong

I know I'm lucky, to see how this can feel
To be safe and free
It's too good to be real
But I feel the cold ground
Underneath my skin and nothing goes wrong
Now my life has changed,
Here all stays the same,
Amazing game
It's not too late
It's fate
I let
My inner child play

And if you want to see then you should come with me
Home where we can be free
